

Dr Michael Kulwin

Chartered Arbitrator

Dr Michael Kulwin has been actively involved in ADR including Arbitration, Mediation and Adjudication since 1984 both in the United Kingdom and internationally. As both an Economist and Registered Foreign Lawyer with the Law Society of England and Wales his dispute resolution ability focuses on construction and contractual disputes, contractor/employee, and contractor/subcontractor relations in the construction industries, infrastructure projects and commercial development.

He is a Chartered Arbitrator and on the Chartered Institute of Arbitrators panel (CI Arb, London); and further serves upon the Faculty of the Chartered Institute of Arbitrators as an Examiner respecting its international Arbitration education and training courses. Dr Kulwin is also a member of the Association of Consultancy and Engineering (ACE), London, a member of the Swiss Arbitration Association and is a Fellow of the Dispute Board Federation Geneva.
